Standards of Quality

Small class sizes and ongoing training allows us to invest in our staff who care for children. Our Center is actively engaged with Quality Stars.

Educational Approach

Our classes provide care and education based on the knowledge that building strong relationships among children, caregivers and teachers are crucial to success. Our teachers use an emergent based approach coupled with developmentally grounded curriculum that leads to Kindergarten preparedness.

Schedules and Calendars

Regular hours are 7:15am to 6:30pm. Annual calendars vary slightly, depending on the Port Washington School District's calendar. These calendars are posted on Pro Care, sent via email and posted on our website/Center bulletin boards.

Parent Participation

The Port Washington Children's Center was founded by and for local parents. The PWCC PTO welcomes and encourages participation from all parents. Our teachers look forward to parent participation at seasonal events.

Payments are due on the 20th before the 1st of each month. Payments made by cash or check (payable to PWCC) are accepted in our Main Office during normal business days between the hours of 8am to 6pm. Credit card and ACH payments are accepted on myProcare.com.
